

Lung Cancer: treatment and toxicities

Tuesday, 21st March 2023 - via Livestream

Overview

This study day will provide an update in the field of lung cancer whilst looking at the patient holistically. We will look at new treatment options, clinical trials and the impact that treatment (or no treatment) has on patients.

Intended Audience

Suitable for Nurses, Allied Health Professionals and all Clinicians with an interest in lung cancer

What to expect

- Small Cell Lung Cancer
- Radiotherapy
- Patient case studies
- Patient experience

Fee

£50 Livestream or on-demand **"5 for 4" on tickets**

£50 Onsite Attendance (Inc Lunch and refreshments)

Please note onsite attendance places are limited and are booked on a first come first serve basis
