

COURSES AND TRAINING AVAILABLE TO LUNG CANCER NAVIGATORS/COORDINATORS

Below is a list of national courses and training opportunities available to Lung Cancer Navigators/Coordinators (as of November 2025). We also recommend that users explore local courses and training opportunities via their cancer care networks.

This document is intended to be a live document and will be updated on a regular basis. If you know of any courses or training which Lung Cancer Navigators/Coordinators are able to access that are not listed below, please do let us know and we will add them.

Cancer Alliance and Cancer Academy

- Principles of Cancer Care Programme: <https://www.canceracademy.nhs.uk/secondary-and-tertiary-care/principles-cancer-care>
- ACCEND (Aspirant Cancer Career and Education Development): <https://www.hee.nhs.uk/our-work/cancer-diagnostics/aspirant-cancer-career-education-development-programme>
- Advanced Communications: Available via local NHS Trusts.

NOTE: Many Cancer Alliance and Cancer Academy courses are available via their local teams/networks.

Lung Cancer Nursing UK

- Management of mesothelioma learning module: <https://www.lcnuk.org/mesothelioma-healthcare-professionals>
